ADDENDUM #3 TO MAY 16, 1978 MEMO: REQUESTS TO PARTICIPATE IN THE  
ROCKY FLATS PLANT SITE DEIS PUBLIC HEARING, MAY 24, 1978

Since Addendum #2 was prepared, the following enclosed materials have been received relative to the subject hearing. All participants have been notified either by telegram or phone of their acceptance as participants at the hearing.

Supplemental materials:

1. Letter of May 10, 1978, from Anthony Robbins, Colorado Department of Health (3) formalizing request to become "full participant" and listing seven topics for his presentation of 20 minutes and requesting 10-15 minutes for William P. Rogers or his designee, Colorado Geological Survey.
2. Letter of May 15, 1978, from Paul B. Smith (9), of EPA confirming need for 15 minutes as a full participant.

Additional Requests for Participation:

33. Lloyd Dumas, Columbia University, requested 30 minutes via phone on May 19 to present his plan for conversion of the Rocky Flats Plant to other activities. His formal request of May 11 is enclosed.
34. Ms. Alexis Parks, P. O. Box 1917, Boulder, Colorado 80306, submitted a request dated May 11 for 20 minutes to become a participant to discuss five issues listed.
35. Howard Holmes of Fairfield and Woods, Attorneys at Law, 950 17th Street, Denver, Colorado 80202, sent an undated notice (postmarked May 11) that Marcus F. Church and Marcus F. Church, Trustee, plus William C. Ackard, Samuel Butler, Jr. and Butler Investments Ltd., with to be a full participant (Church will be represented by
